

# Helping Out

By: Abe Massie  
North Shore Community School  
Ms. Jackson's Class  
May 24, 2023

Iron ore, wheat, or coal  
Watershed, it's like a bowl  
Oil spill, it hurts the birds  
Help position to stay warm  
Erosion washing out a stream  
Water, plants to keep water  
clean Life jackets keeps you  
afloat Ballast waters from a boat  
Polluting water kills the fish  
Help the lake that is my wish
